Dear Parents/Carers,

Road Safety

I am writing about grave concerns which I have for the safety of our children.

I have sent letters to parents on many occasions requesting that those dropping or collecting children in cars should not park or idle on the yellow zigzag lines. However, these requests are continuing to be ignored. Those people who are parking or stopping on the yellow lines are not only breaking the law, but they are endangering the lives of the children.

I would like to request once again that the safety of all children is given priority.

If you have any queries or wish to discuss this further, please contact me at school.

Yours sincerely,

Mrs D M Fox
